[REDACTED] for the Committee's "Theory and Practice of Communism" hearings but wanted to check with us first before contacting [REDACTED] assure that they are not doing anything against Agency interest. I thanked Horner for the consideration and after checking with the CDC, DCS and [REDACTED] advised that the proposed hearing would not cause any problem for us. (Horner said the "Theory and Practice of Communism" hearings [REDACTED] [REDACTED] had been printed and he will send us a number of copies for our use.)
